## Mindless Self Indulgence

bust your ass  
yeah yeah  
cantinflas was a body rocker  
it's what i mean, not what i say  
push it yeah - push it yeah  
life - laws  
what's this part yo?  
yo yo yo breakin it down - yeah  
left to the right to the  
cantiflas... no - that's better  
everybody get down  
shakes to the left - push to the right  
yo everybody come get down tonight  
cantinflas was a body rocker  
it's what i mean, not what i say  
love motherfucker  
i gotta pee man
