

# Suffer Well

## Depeche Mode

Where were you when I fell from grace  
A frozen heart, an empty space  
Something's changed and it's in your eyes  
Please don't speak, you'll only lie I found treasure not where I thought  
Peace of mind can't be bought  
Still I believe I just hang on, suffer well  
Sometimes it's hard, it's hard to tell An angel led me when I was blind  
I said take me back, I've changed my mind  
And now I believe  
From the blackest room I was torn  
You called my name, our love was born  
So I believe  
I just hang on, suffer well  
Sometimes it's hard, it's hard to tell  
I just hang on, suffer well  
Sometimes it's hard, so hard to tell
