

# Under the Thunder

## Skegss

I've got many things to learn  
I've got energy to burn  
I've got forgiveness to earn  
And my buisness is none of your concern  
Or maybe I'm just seizing  
Or maybe it's just the season  
Or maybe there's no good reason  
As to why I am bleeding Well under the thunder  
There's no hiding from the lightning  
Well this world makes me wonder  
Yea It all seems so exciting  
Got a couple dollars in my pocket  
I can hear it when I'm walking  
I trade it for an ice cold glass  
Yea the eye is such a nice thing  
The eye is such a nice thing  
Woo!

I've got many things to learn  
I've got energy to burn  
I've got forgiveness to earn  
My buisness is none of your concern  
Or maybe I'm just seizing  
Or maybe it's just the season  
Or maybe there's no good reason  
As to why I am bleeding Well under the thunder  
There's no hiding from the lightning  
Well this world makes me wonder  
Yea It all seems so exciting  
Got a couple dollars in my pocket  
I can hear it when I'm walking  
I trade it for an ice cold glass  
Yea the eye is such a nice thing  
Well under the thunder  
There's no hiding from the lightning  
Well this world makes me wonder  
Yea It all seems so exciting  
Got a couple dollars in my pocket  
I can hear it when I'm walking  
I trade it for an ice cold glass  
Yea the eye is such a nice thing  
The eye is such a nice thing

Woo!
