

# Reign

UNKLE

I am the lightning, i am the heat  
I am the rain, rain oh, rain oh, rain (reign) all day  
I am the rain  
I'm gonna reign this way again  
I am the rain I am the spy  
Before the blade  
I am the raindrop out at sea I cause  
The ripples that become the crashing waves  
I am the rain, rain oh, rain oh, rain (reign) all day  
I am the rain  
You thought a different day had come  
A day you thought the earth was done  
And if you could have said it all  
I know you would have said it all  
You thought a different day had come  
A day you thought the earth was done  
And if you could have said it all  
I know you would have said it all I am the rain  
I'm gonna reign this way again (this reign way again)  
I am the rain, rain oh, rain oh, rain (reign) all day  
You thought a different day had come  
A day you thought the earth was done  
I am the rain  
And if you could have said it all  
I know you would have said it all  
I am the rain
