This is, like, you gotta put this in story form

It's just part of the game

Cause everything stays the same, (What you saying?)

Everything stays the same,(What you saying?)

Triple teen

Not so secret money machine

I.R.S, all in their chest

And that's gangster

Got my brothers banging with anger

Looking like family

Acting like strangers pointing fingers

At that ring of fire

Them government gangsters

Your presidents lying

Time tested, intrude with a wire

Government shots a nigga with an F'ed up trial

And that's gangster

Thieving, Robbing, Hustling, Pimpin'

Killin', Dealin', Bustin'

[?] Cause you ain't rushing

So I [?] with that

Who, Why you fussin' (Worldwide)

Hit the drove while I read the scripture, (sold 25)  
Don't say I sound dope

Dying is easy  
You ain't got to be ready
