

It Was Almost Like a Song

Ronnie Milsap

Once in every life ... someone comes along,
And you came to me ... it was almost like a song. You were in my heart ... right where you
belong,

And we were so in love ... it was almost like a song. Chorus:

January through December ... we had such a perfect year,

Then the flames became a dying ember ...

All at once you weren't here. Now my broken heart ... cries for you each night,

And it's almost like a song ... but it's much too sad to write. (SOLO)

Now my broken heart ... cries for you each night,

And it's almost like a song ... but it's much too sad to write ...

Much too sad to write.
