

# Annalee

Gavin DeGraw

You fire it up  
Dancing around  
Knocking back  
Knocking down you go all night  
All night  
Blow em away  
Pourin it on  
Laugh at the jokes  
Sing a few songs you know all right  
All right Gettin all, gettin all, gettin all their attention  
Now you're takin em, takin em, takin em for a ride  
All right  
Oh Annalee, Annalee  
Don't you know I'm on to you?  
Your eyes are bright as chandeliers  
But I see the truth  
Your mystery, Annalee  
Got them falling from the roof  
Hypnotized and paralyzed but  
That's nothing new  
Annalee, you know that  
I'm onto you Fresh out of jail  
Left Santa Fe  
Making your rounds out in LA, look at you now, oh wow  
They're buying you rings  
Giving you cars  
It's never enough, you turn their hearts all inside out, side out  
Getting all, gettin all, gettin all their attention  
Takin em, takin em, takin em for a ride  
Every time Oh Annalee, Annalee  
Don't you know I'm on to you?  
Your eyes are bright as chandeliers  
But I see the truth  
Your mystery, Annalee  
Got them falling from the roof  
Hypnotized and paralyzed but  
That's nothing new  
Annalee, you know that  
I'm onto you It started with a white lie  
You thought it was a good time  
Now they got the fever  
Oh beep bop ba lulah

Now everybody wants you  
But I'm looking right through  
And I want to tell you  
Get yourself together girl cause nothing lasts forever Oh Annalee, Annalee  
Don't you know I'm on to you?  
Your eyes are bright as chandeliers  
But I see the truth  
Your mystery, Annalee  
Got them falling from the roof  
Hypnotized and paralyzed but  
That's nothing new Annalee, Annalee  
La-da, la-da-da-da-da  
La-da-da-da-da-da, da-na-na-na-na  
Annalee, you know that  
I'm onto you
