

# Traces of You

Anoushka Shankar & Norah Jones

Traces of you  
linger like a tear drop  
Fresh upon the air  
My heart sings for you  
Play me like a rain cloud  
Sounds upon the airTraces of you  
linger like a tear drop  
My heart sings for you  
Play me like a rain cloud  
Sounds upon the airUhhh.uhhh...  
Traces of you  
linger like a tear drop  
Fresh upon the air  
My heart sings for you  
Play me like a rain cloud  
Sounds upon the airUhhh.uhhh...Traces of you  
linger like a tear drop  
Fresh upon the air  
My heart sings for you  
Play me like a rain cloud  
Sounds upon the airTraces of you  
linger like a tear drop  
Fresh upon the air  
My heart sings for you  
Play me like a rain cloud  
Sounds upon the air  
Uhhh.uhhh...Traces of you  
linger like a tear drop  
Fresh upon the air  
My heart sings for you  
Play me like a rain cloud  
Sounds upon the air
