

# Fix Up, Look Sharp

## Dizzee Rascal

Stupid  
Fix up look sharp  
Don't make me pick up with sign get park  
Hear the bang, see the spark  
Duck down, lay down just  
Fix up look sharp  
Don't make me pick up with sign get park  
Hear the bang, see the spark  
Duck down, lay down just  
I got the big beat  
I hear the sound  
I got the big beat  
I get on down  
I've heard the gossip from the street to the slammer  
They're tryin' to see if Dizzee stays true to his grammer  
Being a celebrity don't mean shit to me  
Fuck the glitz and glamour, hey I'm with the blicks and gamma  
Because they're talking 'bout  
rushin'  
Talk behind my back but to my face they say nothin'  
Stand up in the parks, keep a firm, steady stance  
Keep the beanies touchin', keep the beanies hot flushin'  
Flushin' M.Cs down the loo  
If you don't believe me bring your posse, bring your crew  
Feel free to hate 'coz I ain't tryin' to be your mate  
Be serious you would'nt last a hour in my shoe  
It's an Air-Force-One  
Trainers by the truck load, trainers by the tonne  
Don't be dazed when I catch you by your J's  
Chump, best to act like Forest Gump, best to run  
Fix up look sharp  
Don't make me pick up with sign get park  
Hear the bang, see the spark  
Duck down, lay down just  
Fix up look sharp  
Don't make me pick up with sign get park  
Hear the bang, see the spark  
Duck down, lay down just  
I got the big beat  
I hear the sound  
I got the big beat  
I get on down  
I stay sweet as a nut, sweet like Tropicana  
When the hammer hits, your head splits like banana  
You're not ready for this girl  
You better send your best soldiers, 'coz this is Captain Rosco  
More destructive and troublesome  
than ever  
I'll probably be doing this, probably forever  
Fellas wanna stop me, they'll probably come together  
It's probable they'll stop me, probably never  
You top-boy, top-man, or topa topa  
Come to me with an attitude, come a copper

I'm old school like happy shopper  
I fight old school, bring your bat and your chopper  
And a first aid kit and some antiseptic  
This could get hectic  
I'm a done accept it, you got a bright future  
Dont let my wrath affect it  
Fix up look sharp  
Don't make me pick up with sign get park  
Hear the bang, see the spark  
Duck down, lay down just  
Fix up look sharp  
Don't make me pick up with sign get park  
Hear the bang, see the spark  
Duck down, lay down just  
I got the big beat  
I hear the sound  
I got the big beat  
I get on down  
Fix up
