

# Reload (feat. John Martin)

## Sebastian Ingrosso & Tommy Trash

When night has become the day  
They're sending you far away  
So, so far away When everything starts to fade  
You don't have to be afraid  
No, you don't have to be afraid Take my hand and reload  
This is free love  
That's what we are made of  
Yes, we are, are, are Reload  
This is real love  
That's what we are made of  
Yes, we are, are, are  
Take my hand and reload  
This is free love  
That's what we are made of  
Yes, we are, are, are When you want to get off the ground  
But gravity pulls you down  
Gravity pulls you down And when you feel out of place  
You don't have to be afraid  
No, you don't have to be afraid Take my hand and reload  
This is free love  
That's what we are made of  
Yes, we are, are, are Reload  
This is real love  
That's what we are made of  
Yes, we are, are, are  
Take my hand and reload  
This is free love  
That's what we are made of  
Yes, we are, are, are Reload  
This is real love  
That's what we are made of  
Yes, we are, are, are
