

# Masturbates

## Mindless Self Indulgence

Death - with - the - the, the  
Death - with - the - the, the  
Death - with - the  
Here we go, here we go, here we go (right girl) Chuck it, chuck it, chuck it, chuck it  
Chuck it, chuck it, chuck it, chuck it  
Chuck it, chuck it, chuck it, chuck it Television is good but it is not the best  
'Cause nothing beats the feel of your fucking breasts  
They're so good  
And so bad  
And so large  
Masturbation is good, but it is not the best  
'Cause nothing beats the touch of your clitoris  
It's so wet  
And so round  
And so deep Death with the  
Death with the  
Death with the  
Death with the - right girl  
I'm thinkin' I'mma masturbates, oh, no  
I'm thinkin' I'mma masturbates, oh, no  
I'm thinkin' I'mma masturbates, oh, no  
I'm thinkin' I'mma masturbates, masturbates, masturbates  
Nothing but sweat inside my hands Chuck it, chuck it, chuck it, chuck it  
Chuck it, chuck it, chuck it, chuck it  
Chuck it, chuck it, chuck it, chuck it  
Masturbation is good, but it is not the best  
'Cause nothing beats the feel of your giant ass  
It's so big  
And so round  
And so firm Death with the  
Death with the  
Death with the  
Death with the - right girl  
I'm thinkin' I'mma masturbates, oh, no  
I'm thinkin' I'mma masturbates, oh, no  
I'm thinkin' I'mma masturbates, oh, no  
I'm thinkin' I'mma masturbates, masturbates, masturbates  
Nothing but sweat inside my hands Chuck it, chuck it, chuck it, chuck it
