

# Waving Through a Window (Tony Moran Remix)

## Ben Platt & Original Broadway Cast of Dear Evan Hansen

I've learned to slam on the brake  
Before I even turn the key  
Before I make the mistake  
Before I lead with the worst of me Give them no reason to stare  
No slipping up if you slip away  
So I got nothing to share  
No, I got nothing to say Step out, step out of the sun if you keep getting burned  
Step out, step out of the sun because you've learned  
Because you've learned  
On the outside always looking in  
Will I ever be more than I've always been  
'Cause I'm tap, tap, tapping on the glass  
I'm waving through a window  
I tried to speak but nobody can hear  
So I wait around for an answer to appear  
While I'm watch, watch, watching people pass  
I'm waving through a window  
Can anybody see, is anybody waving back at me? We start with stars in our eyes  
We start believing that we belong  
But every sun doesn't rise  
And no one tells you where you went wrong Step out, step out of the sun if you keep getting  
burned  
Step out, step out of the sun because you've learned  
Because you've learned  
On the outside always looking in  
Will I ever be more than I've always been  
Cause I'm tap, tap, tapping on the glass  
Waving through a window  
I tried to speak but nobody can hear  
So I wait around for an answer to appear  
While I'm watch, watch, watching people pass  
Waving through a window  
Can anybody see, is anybody waving? When you're falling in a forest and there's nobody around  
Do you ever really crash or even make a sound  
When you're falling in a forest and there's nobody around  
Do you ever really crash or even make a sound  
When you're falling in a forest and there's nobody around  
Do you ever really crash or even make a sound  
When you're falling in a forest and there's nobody around  
Do you ever really crash or even make a sound

Did I even make a sound  
Did I even make a sound  
It's like I never made a sound  
Will I ever make a sound? On the outside always looking in  
Will I ever be more than I've always been  
Cause I'm tap, tap, tapping on the glass  
Waving through a window  
I tried to speak but nobody can hear  
So I wait around for an answer to appear  
While I'm watch, watch, watching people pass  
Waving through a window  
Can anybody see, is anybody waving back at me? Is anybody waving  
Waving, waving  
Whoa-oh, whoa-oh-oh-oh
