

# Wish I May

## Breaking Benjamin

Shove me under you again  
I can't wait for this to end  
Sober, empty in the head  
I know I can never win! Why should I have to wait  
I'll just look the other way  
We left this land of shiny lights  
I wish I may, I wish I might  
When all these dreams have come to end  
You wish you were, you're not my friend!  
I can see you suffocate  
I can find no other way  
Try to make you saturate  
I can be your enemy! Why should I have to wait  
I'll just look the other way  
We left this land of shiny lights  
I wish I may, I wish I might  
When all these dreams have come to end  
You wish you were, you're not my friend! Woah no We left this land of shiny lights  
I wish I may, I wish I might  
When all these dreams have come to end  
You wish you were, you're not my friend!  
You said you'd love  
To see the end  
The long hard road  
That I have been When all these dreams have come to end  
You wish you were, you're not my friend! Blind eyes shine bright
