

Need Somebody

Alex Newell

Need somebody
We all need somebody, body to body
Need somebody
We all need somebody, body to body I've been waiting for that chance,
So tonight I wanna cash out
Oh, the screams out on my head
Sometimes I need to lay down
So, I'm gonna live with no regrets
Taking the time to second guess,
Don't worry, don't worry
Where in my mind, I let it go
Do what I wanna, take control
I'm coming, I'm coming, oh oh
When time's getting heavy
We all need somebody, body to body
When life keeps you steady
We all need somebody, body to body Oh-oh oh oh oh oh
Oh-oh oh oh oh oh
Somebody to love
Oh-oh oh oh oh oh
We all need somebody, body to body I've been putting in the hours
So it's time to take the moment
Said no room for any doubts, so
Right now I'm gonna own it
So, I'm gonna live with no regrets
Taking the time to second guess,
Don't worry, don't worry
Where in my mind, I let it go
Do what I wanna, take control
I'm coming, I'm coming, oh oh
When time's getting heavy
We all need somebody, body to body
When life keeps you steady
We all need somebody, body to body Oh-oh oh oh oh oh
Oh-oh oh oh oh oh
Somebody to love
Oh-oh oh oh oh oh
We all need somebody, body to body From the left side to the right side, for every I can see
From the dark side to the bright side, there ain't no stopping me
From the left side to the right side, for every I can see
From the dark side to the bright side, there ain't no stopping me Ay-ay-ay-ay-ay ay
Ay-ay-ay-ay-ay ay

Ain't no stopping me
Ay-ay-ay-ay-ay ay
Ay-ay-ay-ay-ay ay When time's getting heavy
We all need somebody, body to body
When life keeps you steady
We all need somebody, body to body Somebody to love
Somebody to love
We all need somebody, body to body Oh-oh oh oh oh oh
Oh-oh oh oh oh oh
Body to body
Oh-oh oh oh oh oh
Oh-oh oh oh oh oh
I need love
I need love
Oh-oh oh oh oh oh
Oh-oh oh oh oh oh
