

We're All Here

[Kenny Chesney](#)

There's a drift wood sign at the end of the bar
With an "X" on a map that says "here's where you are"
With bright colored arrows with miles and degrees
That point to wherever home used to be
We come and we go like the tide
And we've all got our own reasons why
We're all here 'Cause where else would we go
When the earth tips sideways
It's just where we'll roll
Well that crazy train ran out of track
We all jumped off and never looked back
On a buzz, on a binge, on a dare
On a whim, on a wing, on a prayer
Maybe we're all here, 'cause we ain't all there
Naw we ain't all there
At the end of our ropes or the end of the line
Got a few loose screws, got a couple too tight
We're anchors and sails, we're tattoos and scars
We've all drifted out just a little too far
We were born in this understood
So we got as fast as we could
We're all here
'Cause where else would we go
When the earth tips sideways
It's just where we'll roll
Well that crazy train ran out of track
We all jumped off and never looked back
On a buzz, on a binge, on a dare
On a whim, on a wing, on a prayer
Yeah maybe we're all here, 'cause we ain't all there
We ain't closin' down anytime soon
If you wanna come howl at the moon
We can always make a little more room
'Cause we're all here
Where else would we go
When the earth tips sideways
It's just where we'll roll
Well that crazy train ran out of track
We all jumped off and never looked back
On a buzz, on a binge, on a dare
On a whim, on a wing, on a prayer
Yeah maybe we're all here, 'cause we ain't all there

Naw we ain't all there
