Ghost Town

Adam Lambert

Died last night in my dreams

Walking the streets

Of some old ghost town

I tried to believe

In God and James Dean

But Hollywood sold outSaw all of the saints

Lock up the gates

I could not enter

Walked into the flames

Called out your name

But there was no answerAnd now I know my heart is a ghost town

Died last night in my dreams

All the machines

Had been disconnected

Time was thrown at the wind

And all of my friends

Had been disaffectedNow, I'm searching for trust

In a city of rust

A city of vampires

Tonight, Elvis is dead

And everyone's spread

And love is a satireAnd now I know my heart is a ghost town

There's no one left in the world

I'm gunslingin'

Don't give a care if I go

Down, down, down

I got a voice in my head that keeps singing

Oh, my heart is a ghost town

My heart is a ghost town

Oh, my heart is a ghost town

(Said, my heart)

My heart is a ghost town

My heart is a ghost town
