

Find My Way (Oneohtrix Point Never Remix)

Nine Inch Nails

Well, my path has gone astray
I'm just trying to find my way
Wandered here from far away
I'm just trying to find my way
You were never meant to see
All the things inside of me
Now I too have gone away
I'm just trying to find my way Ooohhhhh I have made a great mistake
Pray the lord my soul to take
Ghosts of who I used to be
I can feel them comfort me
It looks as though I'm here to stay
I'm just trying to find my way Ooohhhhh
I have been to every place
I have been to everywhere
I'm just trying to find my way
I (?)
