

# ATTENTION

Joji

[Chorus]

Girl, would it kill you just to show a little bit of attention?  
If I hurt you, I'm afraid God's gonna teach me a lesson[Pre-Chorus]

Now would you hate me if I said goodbye

So quick you could eat my dust?

Now would you hate me if I ran like hell

In the wind from dawn 'til dusk?[Chorus]

When you cry, you waste your time

Over boys you never liked

Can you not be so obvious?

So keep it light

So keep it light, no

[Verse]

I thought I'd vocalize my troubles, but nobody will listen  
I know I'm cryptic and I'm weird, that shit comes off as indifferent

I don't wanna die so young

Got so much to do

I don't smile for the camera

Only smile for you

Smile for you[Pre-Chorus]

Now would you hate me if I said goodbye

So quick you could eat my dust?

Now would you hate me if I ran like hell

In the wind from dawn 'til dusk?

[Chorus]

When you cry, you waste your time

Over boys you never liked

Can you not?
