

Alive (Andrelli Remix)

Da Buzz

This is the feeling of my life
I wanna be with you now
I wanna have you with me
Always forever and you
You are the one for me now
And I can see that you
want (want want want) more(more more more)You came through the door
You came through it all
One step further and
I will lose it all
Everything you said
Everything was so right
I was in your eyes
You were in my mind
When you took my hand
And we start to dance
I just can't believe
That it's you and me now I'm alive
For the first time in my life
I just know that I'm alive
I wanna dance the night away
I'm alive
I'll always be there by your side
I just know that I'm alive
This is the feeling of my life
I'm alive
You're reality
You're my fantasy
I just can't believe
This is happening
Crossed my fingers and
I can see that is true I was in your eyes
You were in my mind
When you took my hand
And we start to dance
I just can't believe
That it's you and me now I'm alive
For the first time in my life
I just know that I'm alive
I wanna dance the night away
I'm alive
I'll always be there by your side

I just know that I'm alive
This is the feeling of my life
I'm alive(This is the feeling of my life
I wanna be with you now
I wanna have you with me
Always forever and you)I'm alive(You will be one for me now
And I can see that you
want(want want want) more(more more more))For the first time in my life
I know that I'm in love
I wanna dance the night away
I'm aliveAnd I want to
'cause I need you
I just got to be beside you
For you really make my dreams come trueI'm alive
For the first time in my life
I just know that I'm alive
I wanna dance the night away
I'm alive
I'll always be there by your side
I just know that I'm alive
This is the feeling of my life
I'm alive
