

# Gangsta (From "Suicide Squad The Album")

Kehlani

I need a gangsta  
To love me better  
Than all the others do  
To always forgive me  
Ride or die with me  
That's just what gangsters do I'm fucked up, I'm black and blue  
I'm built for it, all the abuse  
I got secrets, that nobody, nobody knows  
I'm good on, that pussy shit  
I don't want, what I can get  
I want someone, with secrets  
That nobody, nobody, nobody knows  
I need a gangsta  
To love me better  
Than all the others do  
To always forgive me  
Ride or die with me  
That's just what gangsters do My freakness is on the loose  
And running, all over you  
Please take me to places, that nobody, nobody goes  
You got me hooked up on the feeling  
You got me hanging from the ceiling  
Got me up so high I'm barely breathing  
So don't let me, don't let me, don't let me, don't let me go  
I need a gangsta  
To love me better  
Than all the others do  
To always forgive me  
Ride or die with me  
That's just what gangsters do  
They do, they do, they do oh  
To always forgive me  
Ride or die with me  
That's just what gangsters do
