

Drugs

[lil aaron](#)

She only say she miss when she come into the city
I only say I love her when I wanna fuck her
I only call her pretty when she's taking out her titties
I only say I love her when I wanna fuck her
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
Spent all my daddy's money
Making sure my nose stay runny
I only say I love her when I wanna fuck her
We pop a couple xannies now she's taking off her panties
I only say I love her when I wanna fuck her
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
I only hit her up when I'm taking drugs
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
She's too fucked up to fuck me
And I'm too fucked up to give a fuck
