## Fergie

Yea... Yea...  
I know I know  
It's true It's true Hey hey hey hey hey it's true  
My my my my my love is true  
Hey hey hey hey hey it's true  
My my my my my love is true Huh huh huh hu-uh huh I know this much is true  
Huh huh huh hu-uh huh I know this much is TRUE Hey hey hey hey hey it's true  
My my my my my love is true  
Hey hey hey hey hey it's true  
So true funny how it seems  
Always in time, but never line for dreams  
Head over heels when toe to toe  
This is the sound of my soul, this is the sound I know you love the way my love is (soundin')  
From over there you could feel my heart (poundin')  
Let me swim in your outer mind (drownin')  
Forever I'll be upside down (frownin')  
I love you uptown, love ya (downtownin')  
You could be my women, and I could be ya main man  
And that's why I sat down and wrote this poem  
Cuz I want the truth to be told Boy you know I know that is true With a thrill in my head and a  
pill on my tongue  
Dissolve the nerves that just begun  
Listening to Marvin (all night long)  
This is the sound of my soul, this is the sound  
Ya I like the way your soul sounds to me  
Ain't nobody do me the way you do me  
I got the stamina for L-O-V-E  
Whip out the camera lets make a movie  
In the future we could look back at what we done did  
We'll be makin love til we like a hundred  
And that's why I had to remix this song  
Cuz I want the truth to be told Boy you know I know that is true  
Huh huh huh hu-uh huh I know this much is true  
Huh huh huh hu-uh huh I know this much is TRUE hey hey hey hey hey it's true  
my my my my my love is true You know it's true  
You know it's true  
You know I love ya girl, you know it's true  
You know it's true \*repeat  
I know this much is true \*repeat You know it's true  
You know it's true \*repeat  
This much is true  
This much is True

You know I love ya girl  
I'm there for ya baby
