## N.E.R.D

Sandy Squirrel

Life the ocean, and you're my world  
Or the oyster and you're the pearl  
You're the only one that's for me  
I'm sorry Mr.Krab.

Yes I know the daughter you have  
But come on man you can't be mad  
I gotta squirrel livin' in the sea!

Sandy Squirrel

Life the ocean, and you're my world  
Or the oyster and you're the pearl  
You're the only one that's for me  
I'm sorry Mr.Krab.

Yes I know the daughter you have  
But come on man you can't be mad  
I gotta squirrel livin' in the sea!

You medicine girl,  
A medicine girl

I'm so heavily in a Hell of a world  
You make my mind shine like a head of a pearl  
And strut through my thoughts  
Like straight of the curls  
And why why why  
Do I feel like crin'  
Every time you leave  
I swim right down

I wanna call, text but i ain't no time  
I know I never wanted but I feel like crin"!Sandy Squirrel

Life the ocean, and you're my world  
Or the oyster and you're the pearl  
You're the only one that's for me  
I'm sorry Mr.Krab.

Yes I know the daughter you have  
But come on man you can't be mad  
I gotta squirrel livin' in the sea!Sandy Squirrel

Life the ocean, and you're my world  
Or the oyster and you're the pearl  
You're the only one that's for me  
I'm sorry Mr.Krab.

Yes I know the daughter you have  
But come on man you can't be mad  
I gotta squirrel livin' in the sea!Well the cowboy had

and that's so wrong  
Like FlogGnaw, that's so dope  
And I think they won't stop  
And that wont go  
It's like base droppin'  
And it won't blow  
Out your window  
And out your car  
A couple lay ways and some stringed Guitars  
Gotta love picture's in an Ice cream BarCan this verse be shorted please? Aha.

Sandy Squirrel  
Life the ocean, and you're my world  
Or the oyster and you're the pearl

But come on man you can't be mad  
I gotta squirrel livin' in the sea!Sandy Squirrel  
Life the ocean, and you're my world  
Or the oyster and you're the pearl  
You're the only one that's for me
