

# Headboard Swag (feat. Rawsmoov)

Jon Hart

Imma beat it off the frame,  
Headboard swag, headboard swag, headboard swag.  
Shawty, what's my name?  
Headboard swag, headboard swag, headboard swag.  
Girl, you know what it is, headboard swag,  
Imma get on that Benz, headboard swag,  
Cause he don't do it like this, headboard swag,  
He don't do it like this, headboard swag,  
Imma get it right. Off time, I love a bad bitch  
That's pretty and thick and she think she the shit, too.  
Always talking about how she gone,  
Off till I show her how the dick do.  
The way I do it said she lovin that,  
Football style, always have mama riding back.  
Said a man don't do it, like I do it, cause I do it from the front to back.  
(Pre-)  
Cause you know I do it good, I do it right,  
Cause you know I do it to her all night.  
Do you got good pussy? Yeah  
Do you give good head? Yeah  
Does it get all kushy? Yeah  
You wanna break my bed? Yeah Imma beat it off the frame,
