## Erykah Badu

This world is so dramatic I can't believe  
That we're still livin'  
Oh, in this crazy, crazy world  
That I'm still livin' With all the problems of the day  
How can we go on? Hey  
So tired of hearin' people say  
"How can we go on?" Fantasy people  
Make believe people  
How can you go on? Yeah  
But you're still livin'  
I can't believe  
That we're still livin'  
Oh, in this crazy, crazy world  
That I'm still livin' With all the problems of the day  
How can we go on? Hey  
So tired of hearin' people say  
"How can we go on?" Fantasy people  
Make believe people  
How can you go on? Hey  
But you're still livin' Race relation, segregation  
No occupation, world inflation  
Demonstration, mis-education  
No celebration to celebrate your lives  
Listen, people, listen  
Lift your hearts to God  
Teach your children wisdom  
Reality today so they can live tomorrow I can't believe  
That we're still livin', I can't believe now  
Oh, in this crazy, crazy world  
That I'm still livin' With all the problems of the day  
How can we go on?  
So tired of hearin' people say  
"How can I go on?" Fantasy people  
Make believe people  
Go on  
But you're still livin' Fantasy people  
Make believe people  
How can you go on?  
But you're still livin' Listen, people, listen  
Lift your hearts to God  
Teach your children wisdom  
Reality today Listen, people, listen

Lift your hearts to God  
Teach your children wisdom  
Reality today Listen, people, listen  
Lift your hearts to God  
Teach your children wisdom  
Reality today
