## Twiztid

We bring the wicked shit  
We bring the wicked shit  
Watch as they change, and mutate into a freek show  
Twiztid serial killin' juggalos  
Watch as they change, and mutate into a freek show  
Twiztid serial killin' juggalos I was born an accident off the ripper  
Free spirit, but a mind drifter  
Vampire labeled me the blood sipper  
With an X in the middle of my head to fallin' sun  
Grave walker  
Leader of a legion of killers and soul stalkers  
Midnight marauders  
We put the world in a submission  
We told all of y'all to listen  
Twiztid more mystic than superstition  
Transparent, like a shadow in the dark I float by  
Lookin' at you dead in the eye  
Time to wake the dead on up, and ring the alarm  
I got you bitches shaking, and nervous, with sweaty palms  
From the beyond  
Lance with mortals and never wrong  
Home is in a pitch black room all alone  
Seperated until death do it's own  
So I create, and populate the dead zone Watch as they change and mutate into a freek show  
Twiztid serial killin' juggalos  
Watch as they change and mutate into a freek show  
Twiztid serial killin' juggalos  
Watch as they change and mutate into a freek show  
Twiztid serial killin' juggalos  
Watch as they change and mutate into a freek show  
Twiztid serial killin' juggalos  
Brand new, brand muthafuckin' new  
Every MC in the vicinity bumped to number two  
Comin' out like freek shows  
And all y'all hoes that don't know  
Y'all catch elbows, and get holes  
Bitch you don't understand the Dark Carnival  
The misunderstood realm of all juggalos  
Called freek shows  
And made fun of 'em everyday  
But when we return with axes y'all bitches run away  
I'm a warlock, walk on water with wicked spells

Banished to purgatory, borderline of heaven and hell  
See me for all that I am, and all that I do  
The multiple man appear in multiples of two  
Evolution of the soul took place in the cocoon  
And we appear from the shadow by the light of the moon  
We the night breed walkin' amongst the dead  
Nobody can figure out what's goin' on inside of our head  
Watch as they change and mutate into a freek show  
Twiztid serial killin' juggalos  
Watch as they change and mutate into a freek show  
Twiztid serial killin' juggalos  
Watch as they change and mutate into a freek show  
Twiztid serial killin' juggalos  
Watch as they change and mutate into a freek show  
Twiztid serial killin' juggalos  
We bring the wicked shit  
We bring the wicked shit  
We bring the wicked shit  
We bring the wicked shit
