

# Don't Let Me Be (feat. Owlle)

## Cassius

Don't let your love go down on me  
Oh baby please make it right  
When I'm alone I feel empty My time, my time, my time  
See how the sky grows above us  
Or darkness shouts from his height  
Some people play while I'm wasting  
My time, my time, my time (Don't let me be)  
I know love is here to grow and I  
I want to be yours  
I'm not here to follow fate to lies  
I want to be yours  
(Don't let me be)  
Don't let me be  
(Don't let me be)  
Don't let me be  
(Don't let me be)  
Don't let me be  
(Don't let me be)  
Don't let me be  
(Don't let me be)  
Don't let me be I think of you and I'm dreaming  
I see our children go by  
I want to know I'm not wasting  
My time, my time, my time  
You look at me and I'm helpless  
Oh baby please make it right  
When I'm alone I feel empty  
My time, my time, my time  
(Don't let me be)  
I know love is here to grow and I  
I want to be yours  
I'm not here to follow fate to lies  
I want to be yours I know love is here to grow and I  
I want to be yours  
I'm not here to follow fate and lies  
I want to be yours (Don't let me be)  
Don't let me be  
(Don't let me be)  
Don't let me be  
(Don't let me be)  
Don't let me be  
(Don't let me be)  
Don't let me be  
(Don't let me be)  
Don't let me be  
(Don't let me be)

Don't let me  
(Don't let me be)  
Don't let me  
(Don't let me )  
Don't let me be  
(Don't let me )  
Don't let me be  
Don't let me(Don't let me be)  
I know love is here to grow and I  
I want to be yours  
I'm not here to follow fate and lies  
I want to be yours(Don't let me be)  
I know love is here to grow and I  
I want to be yours
