

Inside My Head (feat. Marco Minnemann)

Thaikkudam Bridge

Why cant you come inside my head
Today?
Why cant u let loose on ur self in here. Cross-fading emotions
Cascading illusions
Overloadnerves of high pollution
Misleading direction
calm no more
Why cant you come inside my head
Today?
Why cant u let loose on ur self in here.
Why cant you come inside my head
And hear
The things i whisper in ur ear. drugs bringing salvation
pills and medication
Potion xCross-fading emotions
Cascading illusions
Overloadnerves of high pollution
Misleading direction
calm no more
straightjackets and cages
helps the noise im hearing
Flying far away Come inside my head
Calm inside my head
