

# Priest

## Julia Michaels

Mmm, mmm, mmm  
Yeah, there are liars, but then there's you, mmm  
Their retrospect, that's what brought me to you, mmm Guess I thought I could change you to the  
truth, mmm  
I don't know, I don't know what I was thinking, uh huh Sometimes, I miss you and then I  
remember  
That I deserve much better  
Cover my tattoo of you with another  
And now I'm feeling much better Oh, you broke my heart, and now, you want some redemption  
Oh, it's obvious that you ain't learned your lesson  
Oh, you're owning up so you can get to Heaven  
Oh, but I'm not a priest, so fuck your confession  
In my weak moments, I think about you, mmm  
But not in the way that you think that I do, mmm  
I've actually made up again with my friends  
To see how long until this one ends and the next one begins  
I've got a hundred dollars riding on it, mmm Oh, you broke my heart, and now, you want some  
redemption  
Oh, it's obvious that you ain't learned your lesson  
Oh, you're owning up so you can get to Heaven  
Oh, but I'm not a priest, so fuck your confession Oh, oh, woo  
Oh, but I'm not a priest, so fuck your confession  
Oh, oh, woo  
Oh, but I'm not a priest, so fuck your confession Sometimes, I miss you and then I remember  
That I deserve much better  
Cover my tattoo of you with another  
And now I'm feeling much better  
Oh, you broke my heart, and now, you want some redemption  
Oh, it's obvious that you ain't learned your lesson  
Oh, you're owning up so you can get to Heaven  
Oh, but I'm not a priest, so fuck your confession  
(So fuck your confession) Oh, oh, woo  
Oh, but I'm not a priest, so fuck your confession  
Oh, oh, woo  
Oh, but I'm not a priest, so fuck your confession
