

# I Want You

Janet Jackson

Feels like I'm going in circles  
You're like a maze I can't get through  
Should I go left  
Should I go right  
Should I let you  
Stay for the night  
It's like a seesaw  
When it comes to your love  
Boy when you're up  
This girl is down  
And I just can't  
Figure it out  
Cause you know that I want you  
Yeah  
And you know that I need you  
Yeah  
Is that any way to be  
Just have your way with me  
My body is cryin'  
Yeah  
These tears can you wipe 'em  
Yeah  
Is that any way to be  
Just have your way with me  
I'm going out with guys  
I don't wanna go  
To places that I've been before  
They pitchin' the same game  
Boy it's a damn shame  
How I wish it was you  
Calling me  
I want it to be you  
Holdin' me  
Boy it needs to be you  
Kissing me  
Cause it's like a seesaw  
When it comes to your love  
Boy when you're up  
This girl is down  
And I just can't  
Figure it out  
Cause you know that I want you

Yeah  
And you know that I need you  
Yeah  
Is that any way to be  
Just have your way with me  
My body is cryin'  
Yeah  
These tears can you wipe 'em  
Yeah  
Is that any way to be  
Just have your way with me  
Listen  
Have your way with me  
(Have your way with me)(Have your way with me)  
Anytime anywhere  
(Anytime anywhere)(Anytime anywhere)  
Have your way  
(Have your way)  
However I don't care  
(However)  
(Have)  
Have your way with me  
(Have your way with me)(Have your way with me)  
And you can have it tonight  
(You can have it)  
Tonight  
(Tonight)  
Tonight  
Boy tonight  
(Tonight)  
Cause you know that I want you  
Yeah  
And you know that I need you  
Yeah  
(haaaahh)  
Is that any way to be  
Just have your way with me  
My body is cryin'  
Yeah  
These tears can you wipe 'em  
(These tears can you wipe them)  
Yeah  
Is that any way to be  
(Is that any way to be)  
Just have your way with me  
(Baby have your way with me)  
Cause you know that I want you  
(Cause you know that I want you baby)  
Yeah

And you know that I need you  
(And you know that I need you baby)

Yeah

Is that any way to be  
(In my life, I need you...)

Just have your way with me  
(...I want you, body is cryin' for you baby)

My body is cryin'

Yeah

(Boooooooooohoo)

These tears can you wipe 'em

Yeah

(Boooooooooohoo)

Is that any way to be  
Just have your way with me
