

# I Can't Be Myself

[LeAnn Rimes](#)

It's the way of mine to say just what I'm thinking  
And to do the things I really wanna do  
And you wanna change the part of me I'm proud of  
So I can't be myself when I'm with you Oh, you never like the clothes I wear on Sunday  
Just because I don't believe the way you do  
But I believe the Lord knows I'm unhappy  
And I can't be myself when I'm with you I can't be myself and be what pleases you  
And down deep inside I don't believe, oh, you want me to  
And it's not my way to take so long deciding  
That I can't be myself when I'm with you  
I can't be myself and be what pleases you  
And down deep inside I don't believe that you want me to  
Oh, and I believe the Lord knows I'm unhappy  
And I can't be myself when I'm with you  
I can't be myself when I'm with you
