

# Nowhere to Go (with NAATIONS)

Hayden James

We got nowhere to go (We ain't got no better place to go)  
Doesn't matter, 'cause I know ya  
We got nowhere to go (We ain't got no better place to go) Doesn't matter, 'cause I know ya  
City in lock down, it ain't goin' on  
How could we be so wrong? What the fk is goin' on? (Ooh)  
People are pourin' out into the streets  
Oh, it's a filthy scene, but it's the best I've ever seen  
We got nowhere to go  
Doesn't matter, 'cause I know ya, like nobody's ever known ya  
We got nowhere to go  
Doesn't matter, 'cause I know ya, like nobody's ever known ya  
Baby, baby, baby, baby  
Everyone knows how fierce we're bound to be  
And it's exactly as it seems, we live in a timeless dream (Ooh)  
There's an exception to every rule  
I don't want to speak too soon but I better believe it's me and you  
We got nowhere to go  
Doesn't matter, 'cause I know ya, like nobody's ever known ya  
We got nowhere to go  
Doesn't matter, 'cause I know ya, like nobody's ever known you  
We got nowhere to go (We ain't got no better place to go, baby)  
Doesn't matter, 'cause I know ya, like nobody's ever known ya (Baby) We got nowhere to go  
(We ain't got no better place to go, baby)  
Doesn't matter, 'cause I know ya,  
like nobody's ever known ya (Baby, baby)  
We ain't got no better place to go (Baby)  
Doesn't matter, 'cause I know ya (Baby)  
We ain't got no better place to go (Baby)  
Doesn't matter, 'cause I know ya (Baby)  
We ain't got no better place to go (Baby)  
Doesn't matter, 'cause I know ya (Baby, baby)  
We ain't got no better place to go (Baby)  
Doesn't matter, 'cause I know ya (Baby)  
We got nowhere to go  
And it's exactly as it seems, we live in a timeless dream  
We got nowhere to go  
I don't want to speak too soon but I better believe it's me and you  
We got nowhere to go (We ain't got no better place to go, baby)  
Doesn't matter, 'cause I know ya, like nobody's ever known ya (Baby) We got nowhere to go  
(We ain't got no better place to go, baby)  
Doesn't matter, 'cause I know ya, like nobody's ever known ya (Baby)  
We got nowhere to go (We ain't got no better place to go, baby)

Doesn't matter, 'cause I know ya (Baby)  
We got nowhere to go (We ain't got no better place to go)
