

We Built This City

LadBaby

Chorus:

We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll Say you don't know me or recognize my face
Say you don't care who goes to that kind of place
Knee deep in the hoopla sinking in your fight
Too many runaways eating up the night Marconi plays the mamba, listen to the radio, don't you
remember

We built this city, we built this city on rock and roll Chorus:

We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll Someone always playing corporation games
Who cares they're always changing corporation names
We just want to dance here someone stole the stage
They call us irresponsible write us off the page
Marconi plays the mamba, listen to the radio, don't you remember
We built this city, we built this city on rock and roll We built this city, we built this city on rock
and roll

Built this city, we built this city on rock and roll It's just another Sunday, in a tired old street
Police have got the choke hold, oh then we just lost the beat Who counts the money underneath
the bar

Who rides the wrecking ball in to our rock guitars
Don't tell us you need us, cause we're the ship of fools
Looking for America, coming through your schools (I'm looking out over that Golden Gate
bridge)

Out on another gorgeous sunny Saturday, not seein' that bumper to bumper traffic) Don't you
remember ('member) ('member) (It's your favorite radio station, in your favorite radio city
The city by the bay, the city that rocks, the city that never sleeps) Marconi plays the mamba,
listen to the radio, don't you remember

We built this city, we built this city on rock and roll
We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll (We built, we built this city) built this city (We
built, we built this city) (Repeats out)
