

# She Wolf

## Shakira

SOS, she's in disguise  
SOS, she's in disguise  
There's a she wolf in disguise  
Coming out, coming out, coming out A domesticated girl, that's all you ask of me  
Darling, it is no joke, this is lycanthropy  
The moon's awake now, with eyes wide open  
My body's craving, so feed the hungry I've been devoting myself to you Monday to Monday and  
Friday to Friday  
Not getting enough retribution or decent incentives to keep me at it  
I'm starting to feel just a little abused like a coffee machine in an office  
So I'm gonna go somewhere cozy to get me a lover and tell you all about it There's a she wolf in  
the closet  
Open up and set it free  
There's a she wolf in your closet  
Let it out, so it can breathe  
Sitting across a bar, staring right at her prey  
It's going well so far, she's gonna get her way  
Nocturnal creatures are not so prudent  
The moon's my teacher, and I'm her student To locate the single men, I got on me a special radar  
And the fire department hotline, in case I get in trouble later  
Not looking for cute little divos or rich city guys, I just want to enjoy  
By having a very good time and behave very bad in the arms of a boy There's a she wolf in the  
closet  
Open up and set it free  
There's a she wolf in your closet  
Let it out, so it can breathe SOS, she's in disguise  
SOS, she's in disguise  
There's a she wolf in disguise  
Coming out, coming out, coming out  
SOS, she's in disguise  
SOS, she's in disguise  
There's a she wolf in disguise  
Coming out, coming out, coming out There's a she wolf in your closet  
Let it out, so it can breathe
