

Monster 2.0 (feat. Boogie)

Jacob Banks

They made a monster out of me
They put a shot in my back
They did me to the count of three
They set the hounds on my tracks
They made a demon out of me
Then they put a cross through my flesh
They put a search out for me
Cause I got some blood on my hands But they would see me when I'm coming
I'll be laughing, why you running?
Oh, you won't see me when I'm coming
I'll be that monster you've been wanting, oh no They made a story out of me
They laugh and joke about my name
They put a bounty out on me
They all excited by my shame
But they would see me when I'm coming
I'll be laughing, why you running?
Oh, you won't see me when I'm coming
I'll be that monster you've been wanting, oh no Yeah
Remember when you wanted to forget me?
You'd let me
Rest in pieces and let the rest piece me together
Yeah, we ain't never had spirit in the flesh
These people
These people let me loose, bet they wish they would've kept me now
I'm verbal, feet out
Told my sponsor I don't write bars, I get freestyle
And if your hand never held me down, don't fucking reach out
All's fair in love and war but I love a war
How you picking on the chosen one?
Cause when it rains bows, it ain't colourful
I'mma be the last man standing, yeah, the only one
Blacked out, moving through the jungle
Got me feeling like my name is Rambo
Let's rumble
We can do it any way you want to
Blacked out, moving through the jungle
Got me feeling like a Rambo
Let's rumble
We can do it any way you want to But they would see me when I'm coming
I'll be laughing, why you running?
Oh, you won't see me when I'm coming

I'll be that monster you've been wanting, oh no
