

# Golmaal Title Track

[Brijesh Shandilya & Aditi Singh Sharma](#)

Hello, hi, namaste, salaama  
Aa gaye phir se karne hungama  
Boring lamhon ko kar de gulabi  
Jashn rukne na denge zara bhi Apna famous hai yaarana  
Apne sang tu bhi aa jaana  
Chhod duniya se sharmana  
Zoron zoron se tu chillana Go go golmaal, go go golmaal  
Everything is gonna be  
Go go golmaal x (2)  
Tumko ae yaar ullu bana de  
Khul ke tu muskura na  
Chhod fikron ki ghanti bajana  
Dil ki dholak bajana  
Seeti hothon pe le aana  
Mauj masti ho rozana  
Josh kitna hai dikhlana  
Zoron zoron se tu chillana Go go golmaal, go go golmaal  
Everything is gonna be  
Go go golmaal x (2)
