

# You Bring Me Joy

Anita Baker

You bring me joy  
when I'm down  
Oh so much joy,  
When I lose my way your love comes smilin' on me. I saw your face and then I knew  
We would be friends.  
I was so afraid but your eyes, they'd say "Come to me". So I'd say to you  
"Can we talk for a while?"  
You'd say "it's alright"  
When you love me, I smile  
I feel your heart and you feel mine  
You bring me joy.  
You bring me joy  
Don't go too far away  
If I can't see your face I will remember your smile But can this be right  
Oh and should we be friends  
I get lonely sometimes  
And I'm mixed up again  
'Cause you're the finest thing I've seen in all my life  
You bring me joy. My joy - my joy  
(solo) I believe this is gonna be what you want it to be  
I just love you, I just, I love you oh can't you see  
That you're the finest thing I've seen in all my life  
You bring me joy (My joy), you are, you're my joy  
(my joy), my (you bring me joy) my joy  
I, Thank you, baby, thank you, baby  
(You bring me joy)  
I just love you baby  
I just love you baby  
I, I just love you  
When I lose my way your love comes smilin' on me.
