

Summer Dress (Live on KCRW)

Red House Painters

summer dress makes you more beautiful than the rest
lovliest girl that i know, and the sweetest
spends her life inside, she thinks she isn't blessedsummer dress separates you from the rest
easiest days of her life have been spent
wonders if she is loved, if she is missedsays a prayer as she's kissed by ocean mist
takes herself to the sand and dreamssays a prayer as she's kissed by ocean mist
takes herself to the sand and dreams
