

# Fallen

Sarah McLachlan

Heaven bend to take my hand  
And lead me through the fire  
Be the long awaited answer  
To a long and painful fight Truth be told I've tried my best  
But somewhere along the way  
I got caught up in all there was to offer  
And the cost was so much more than I could bear Though I've tried, I've fallen...

I have sunk so low  
I messed up  
Better I should know  
So don't come round here  
And tell me I told you so...  
We all begin with good intent  
Love was raw and young  
We believed that we could change ourselves  
The past could be undone  
But we carry on our backs the burden  
Time always reveals  
In the lonely light of morning  
In the wound that would not heal  
It's the bitter taste of losing everything  
That I've held so dear. I've fallen...

I have sunk so low  
I messed up  
Better I should know  
So don't come round here  
And tell me I told you so...  
Heaven bend to take my hand  
Nowhere left to turn  
I'm lost to those I thought were friends  
To everyone I know  
Oh they turn their heads embarrassed  
Pretend that they don't see  
But it's one missed step  
One slip before you know it  
And there doesn't seem a way to be redeemed Though I've tried, I've fallen...

I have sunk so low  
I messed up  
Better I should know  
So don't come round here  
And tell me I told you so... Though I've tried, I've fallen...  
I have sunk so low

I messed up  
Better I should know  
So don't come round here  
And tell me I told you so...
