

Booty Call

[Sonia Leigh](#)

If you wanna get some booty... we can get it on tonight,
If you wanna get some booty... baby here's my number,
If you wanna get some booty, we can get it on tonight,
If you wanna get some booty, gonna rock you like thunder. We're gonna take take this thing to a
whole 'nother level,
When I get you alone, gonna do ya dirty like the devil, HOT!
All you gotta do, is, make that call,
Then it's like BOOM BOOM baby, got you up against the wall!! Repeat verse...
Well, you ain't never met a bull, that'll buck ya like me,
from Bangkok to Russia down to Nashville, Tennessee, ugh.
You, don't, know, what's been playin on my mind,
It's about to get real, kitty cat, I ain't lyin. Repeat verse...
Well, I've seen you before, but I was way too shy,
to make eye contact, couldn't even say hi.
I'm a couple shot's deep, I'm gonna say it like I feel it,
Air's so thick in here, I can barely breathe it,
Got me upside down, feelin chemistry,
time to make your move, come and check-mate me,
No shame in the game, yeah we both grown up's,
Come and get it, what's up? Repeat verse...
