

This Time 4 Real (feat. Lyfe Jennings)

K'Jon

(Chorus)

(This time) I'll be there for you

Say a prayer for you

(This time) I'm gonna open up

Gonna show some love

(This time) and baby I'll be true

I'm gonna make a difference

(This time) I'm so in love with you

(This time... yea)(Verse)

Last night tried to get some snooze

Dreamed we was breaking up, we were through

When I looked around you was gone

Found that our house really not a whole year ago

Since you've been away from me

Baby I was so wrong

Come back to me baby

(Verse)

And I thought about my family

Where would I be without their unity

And my love for my people run deep

When I struggle through the day and disappointment

So many, but we're gone and now it's me

Rest in peace

I know I'm blessed, woke up to a second chance(Chorus)

(This time) I'll be there for you

Every night say a prayer for you

(This time) I'm gonna open up

Gonna take your advice, gonna show some love

(This time) and baby I'll be true

I'm gonna make a difference

(This time) I'm so in love with you

(This time... yea)

(Verse)

Woke up, turned on the news and I said to myself

What's this world come to? Oh yea oh oh

See this can't be true baby

I'm so scared, scared to lose you now

Baby I feel sure helpless

I'm waiting and waiting and waiting and waiting

To catch my breath

My world is filled with noise

I need to come to serve for this

Don't let em take away my joy
`Cus without there's an empty void(Chorus)
(This time) I'll be there for you
Say a prayer for you
(This time) I'm gonna open up
Show you love
(This time) baby I'll be true
I'm gonna make a difference
(This time) I'm so in love
(This time... yea)
This time, this time(Verse)
I can't describe
Feelings inside
And I can't hold it back (hold it back)
And I can't hold back these tears in my eyes
No one can't replace
The smile upon your face
Man it used to make my day
I can't go on
Until I know that you're ok
And it's not the same baby
So I gotta say(Chorus x2)
(This time) I'll be there for you
Say a prayer for you
(This time) I'm gonna open up
Show you love
(This time) baby I'll be true
I'm gonna make a difference
(This time) I'm so in love
(This time... yea)
