

I Told You So

Nural

Just walk away
See if he cares
Such a sad story I know
Don't say I didn't tell you so
Fixing his eyes on her
He knows that this won't take him very long
Cause after all this night is still young
She slowly but surely drinks her mind away
He's making sure of it
Just one more sip, he'll be dragging you home
Just walk away
See if he cares
It's such a sad story I know
Don't say I didn't tell you so
She staggers aimlessly
Who knows what he's plotting inside his head
Soon enough everyone will know
When this is over, do you think my advice
Could help you somehow?
Just cry me a river as if, you don't look so pathetic now
Just walk away
See if he cares
Such a sad story I know
Don't say I didn't tell you so
Just walk away
See if he cares
It's such a sad story I know
Don't say I didn't tell you so
Just walk away'
Just walk away
See if he cares
Such a sad story I know
Don't say I didn't tell you so
