## **Tell the World (feat. Mali Music)**

## Lecrae

Now, I'mma tell the world, tell 'em I'mma tell it everywhere I go Tell the world, tell 'em Yeah. I'm a billboard Tell the world, tell 'em And I'm broadcastin' like a radio Tell the world You ought to know, I'm brand newI know one thing's true: I don't even really deserve to know you But, I-I'm a witness that you did this, and I'm brand new So, I-I'm read' to go, and I'mma tell the world what they need to know A slave to myself, but you let me go I tried getting high but it left me low You did what they could never do You cleaned up my soul and Gave me new life I'm so brand new And that's all that matters I-I ain't love you first, but you first loved me In my heart I cursed you, but you set me free I gave you no reason to give me new seasons To give new life, new breathing But you hung there bleedin' And ya' died for my lies and my cheatin' My lust and my greed (and, Lord!) What is a man that you mindful of him? And what do I have to deserve this lovin'?Tryna make the moments last Holdin' on to the pastBut, like a hero in a dream Christ came, and he rescued meNow, I'mma tell the world Tell the world, tell 'em I'mma tell it everywhere I goTell the world, tell 'em Yeah. I'm a billboard Tell the world, tell 'emAnd I'm broadcastin' like a radio Tell the world You ought to know, I'm brand new I can't offer you nothin', but your care & kindness keeps comin' And your love is so unconditional, I get butterflies in my stomach I got the old me in the rearview, now the new me got a clear view And I was so dead, I couldn't hear you Too deep in sin to come near you But you drew me in, you cleaned me up So take me home, beam me up

Before you do, just let me tell the truth And let these folks know that I done seen ya' love And it's everlasting, infinite, it goes on and on, you can't measure it Can't quench ya' love, they can't separate us from the love of God There's no estimate My face look the same, my frame ain't rearranged But I'm changed I promise I ain't the same Your love's so deep you suffered and took pain You died on the cross to give me a new name Ain't nothing like I've seen before, I got a beaming glow I was low, down, and dirty, but you cleaned me, Lord You adopted me, you keep rocking me I'mma tell the world, and ain't nobody stopping me! Tryna make the moments last Holdin' on to the past But, like a hero in a dream Christ came, and he rescued me Now, I'mma tell the world Tell the world, tell 'em I'mma tell it everywhere I go Tell the world, tell 'em Yeah. I'm a billboard Tell the world, tell 'em And I'm broadcastin' like a radio Tell the world You ought to know, I'm brand new Now, I'mma tell the world Tell the world, tell 'em I'mma tell it everywhere I go Tell the world, tell 'em Yeah, I'm a billboard Tell the world, tell 'em And I'm broadcastin' like a radio Tell the world You ought to know, I'm brand new
