

# Stuck on U (feat. BenZel)

Tory Lanez

Cause I can't breathe  
without you,  
and I'll never let you go,  
see I can't leave without you,  
and I just want you to know that I'm stuck on you (you, you)  
that im stuck on you  
(you, you)  
that I'm stuck on you  
cause I can't breathe  
without you  
and I'll never let you go,  
see I can't leave without you,  
and I just want you to know that I'm stuck on you (you, you)  
that im stuck on you  
(you, you)  
cause I can't breathe  
without you and I'll never let you go,  
see I can't leave without you,  
and I just want you to know that I'm stuck on you (you, you)  
that im stuck on you  
(you, you)  
that im stuck on you
