

# I Decide

Lindsay Lohan

Don't think that you can tell me what to think  
I'm the one who knows what's good for me  
And I'm stating my independence  
Gonna take the road I'm gonna take  
And I'm gonna make my own mistakes  
It's my life  
I decide I decide  
How I live  
I decide  
Who I love  
The choice is mine  
And no one gets to make my mind up  
I decide  
I decide  
Where I go  
What I need  
Who I know  
I'm the one who's running my life  
I decide  
I decide  
Don't think you're ever gonna hold me down  
Couldn't do it then  
Can't do it now  
I'm kicking down all the fences  
I'm gonna do it all and do too much  
And if I mess the whole thing up  
It's my right  
I decide I decide  
How I live  
I decide  
Who I love  
The choice is mine  
And no one gets to make my mind up  
I decide  
I decide  
Where I go  
Where I sleep  
Who I know  
I'm the one who's running my life  
I decide  
I decide  
I'm taking my own chances

I'm finding my own answers  
I'm only answering to me  
And that's the way it's gonna be  
I decide Oh yeah yeah  
I decide  
I decide I decide  
How I live  
I decide  
Who I love  
The choice is mine  
And no one gets to make my mind up  
I decide  
I decide  
Where I go  
Where I sleep  
Who I know  
I'm the one who's running my life  
I decide  
I decide I decide  
How I live  
I decide  
Who I love  
The choice is mine  
And no one gets to make my mind up  
I decide
