

Hypocritical Kiss

Jack White

My temper got the best of me
And when I said that I mean
A know every single thing that I said was true And I know that you're mad at me
But if you're thinking like I,
I think you'll see that you're mad at you too And I know the feeling's strong
Strong enough to forget about all that I've been through And it sounds obscene, but
Loud words never bothered me like they do to you You're the boy that talks but says nothin'
A big game to the ones that you think will believe you
But you don't know how to read
The look on my face when it says, yeah I've read that book too
And who the hell's impressed by you?
I want a name for people that I know who are fallin' for this
You would sell your own mother out
And then betray your dead brother with another hypocritical kiss
