

Spiral Architect

Black Sabbath

Sorcerers of madness
selling me their time
Child of God sitting in the sun
Keeping peace of mind
Fictional seduction
On a black snow sky
Sadness kills the superman
Even fathers cry
Of all the things I value most of all
I look inside myself
And see my world
And know that it is good
You know that I should
Superstitious centuries
Didn't time go slow
Separating sanity
Watching children grow
Synchronised undertaker
Spiral skies
Silver ships on plasmic oceans
In disguise
Of all the things I value most in life
I see my memories
And feel their warmth
And know that they are good
You know that I should
Watching eyes of celluloid
Tell you how to live
Metaphoric motories
Say give, give, give
Laughter giving, love is showing
me the way
Spiral building architect
I build, you pay
Of all the things I value most of all
I look upon my Earth
And feel the warmth
And know that it is good
You know that I should
You know that I should
You know that I should
You know that I should
