

Don't Ask Me No Questions

Chris Cagle

Well everytime that I come home
nobody wants to let me be
It seems that all the friends I got
just got to come interrogate me
Well, I appreciate your feelings and
I don't want to pass you by
But I don't ask you about your business,
don't ask me about mine. Well its true I love the money
and I love my brand new car
I like drinkin' the best of whiskey
and playing in a honky tonk bar
But when I come off the road,
well I just got to have my time
'Cause I got to find a break in this action,
else I'm gonna lose my mind.

ChorusL

So, don't ask me no questions
And I won't tell you no lies
So, don't ask me about my business
And I won't tell you goodbye.--- Instrumental ---Well, what's your favorite color
and do you dig the brothers,
is drivin' me up a wall
And everytime I think I can sleep,
some fool has got to call
Well don't you think that when I come home,
I want a little peace of mind
If you want to talk about the business buddy,
you're just wastin' time.

Chorus:

Yeah don't ask me stupid questions
and I won't send you away
If you wanna talk some fishin,
well I guess that'll be...
