

# Sorry

Ciara

All I wanna say...  
Girl I wanna say...  
I'm saying that I'm sorry...Ooh ooh, ooh, oohAugust 4th, we were chilling at the house  
Said I'm done, I told you to get out  
Didn't mean a word that I said  
Cause I was hoping you would come backCause I tried and tried  
And I cried and cried  
Up late at night and I hurt  
And I tried to fight and I cried to god  
Oh please let it just work  
And I'm going crazy with you  
You got me so confused  
Cause you walked away, and I walked away  
And we should've stayed baby  
All you have to do is say that I'm sorry  
Baby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this  
Say baby I'll do what it takes  
And I will be here all the way baby  
All you have to do is say that I'm sorry  
Baby I'm sorryYou wanna know if I was moving on without you  
I miss you, miss you, miss you, I miss you  
To tell the truth i've thinking bout you lately  
I miss you, miss you, miss you, I miss youChristmas day, you said you had a ring  
But you changed your mind  
Too caught up in the streets  
Boy your truth is hard to believe  
Why are you really scared of me  
Cause I tried and tried  
And I cried and cried  
Up late at night and I hurt  
Cause I put in mine, I worked all the time  
And you never put in your work  
And I'm going crazy with you  
You got me so confused  
Cause you walked away, and I walked away  
And we should've stayed baby  
All you have to do is say that I'm sorryBaby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this  
Say baby i'll do what it takesAnd I will be here all the way baby

All you have to do is say that I'm sorry  
Baby I'm sorry  
You wanna know if I was moving on without you I miss you, miss you, miss you, I miss you  
To tell the truth i've thinking bout you lately  
I miss you, miss you, miss you, I miss you  
I miss the way you hold me The way you touch me  
I miss the way you kiss me yeah  
All you have to do is say that I'm sorry Baby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this  
Say baby i'll do what it takes  
And I will be here all the way baby  
All you have to do is say that I'm sorry  
Baby I'm sorry  
You know I think about you sometimes  
I wonder how you are  
Are you happy  
You see I know  
What we had was special  
And I know you know it too  
I miss you  
I really miss you...
