

# I Don't Wanna Fight (Single Edit)

Tina Turner

There's a pale moon in the sky  
The kind you make your wishes on  
Like the light in your eyes  
The one I built my dreams upon It's not there any longer  
Something happened somewhere  
And we both know what  
But me, I'm getting stronger  
We must stop pretending  
I can't live this life I don't care who's wrong or right  
I don't really wanna fight no more  
Too much talking  
Let's sleep on it tonight  
I don't really wanna fight no more  
This is time for letting go  
I hear a whisper in the air  
It simply doesn't bother me  
Can't you see that I don't care  
Or are you looking right through me It seems to me lately  
You look at me the wrong way  
And I start to cry  
Could it be that maybe  
This crazy situation is the reason why I don't care who's wrong or right  
I don't really wanna fight no more  
Too much talking  
Let's sleep on it tonight  
I don't really wanna fight no more  
Tired of all these games  
Oh, baby don't you know  
I don't wanna hurt no more  
This time I'm walking, babe  
Don't care now who's to blame  
I don't really wanna fight no more  
This is time for letting go Hanging on to the past  
It only stands in our way  
We have to grow for our love to last  
But we just grew apart  
Don't wanna hurt no more But, baby don't you know, know  
I don't wanna hurt no more  
Too much talking  
Don't care now who's to blame  
I don't really wanna fight no more  
Tired of all these games I don't care who's wrong or right

I don't really wanna fight no more  
This time I'm walking, babe  
So let's sleep on it tonight  
I don't really wanna fight no more  
This is time for letting go No, I don't wanna hurt no more  
Too much, hey baby  
Don't care now who's to blame  
I don't really wanna fight no more  
This is time for letting go Let it go  
Let it go  
Let it go  
Let it go
